At Fortress we pride ourselves on quality products on time using world class products with patented high quality materials manufactured in the USA. We have the best warranty in the industry and want every Fortress customer to feel they have chosen the right contractor to install them. Make sure your customers receive the tri-fold warranty card, filled out by your qualified installers, in a timely manner after full payment and note that **they should sign and submit their warranty ASAP**. The latest version of our warranty is dated June 2016. If you don't have the warranty card with this date call us today for free tri-fold warranty cards and any other of our marketing brochures to help win your next job.

We appreciate your business and we want you to have the best products and tools to win.

Note: If you are a tech savvy sales department, ask about our new USB drives with the Fortress Sales videos including the block wall demo with force to bow capable of 14,000 pounds.
